

VIRAL MARKETING PK

Logo & Brand Identity Sheet

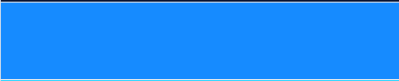

Brand Positioning

A modern digital marketing and content creation house focused on turning brands, people and campaigns into high-impact, shareable content. The visual identity combines digital energy, growth and viral reach through a bold VM monogram and upward-motion symbol.

Primary Services

Digital Marketing	Strategy, campaigns & performance
Content Creation	Social-first creative & branded content
AI-Integrated Video Editing	Modern, AI-enhanced post-production
PR & Personal Branding	Visibility, positioning & creator-led growth

Recommended Colour Palette

Deep Navy	#06112F	
Electric Blue	#168BFF	
Digital Cyan	#39D7FF	
White	#FFFFFF	

Logo Usage

Use the full logo for presentations, proposals, websites and formal brand communication. For profile pictures, app icons and small digital placements, the VM monogram can be used as the standalone mark. Maintain generous clear space around the logo and avoid stretching, distorting, recolouring or placing it over busy imagery.
